Hyakudo-Uchi

Date: February 5th (Sunday)

Time: 7-8AM

Location: Taiza, Tango-cho

- Route begins at Okanari District Community Center

Hyakudo-uchi is a traditional ceremonial event that traces back to the Edo Period. While it is still dark and cold, young men from the local community don on colorful sumo aprons and run through the town chanting "*Wasshoi, wasshoi!*"

to pray for good health and safe households. This event is held twice a year on the Sunday closest to Setsubun, and on the second Sunday of October.

Kumihama Doll Festival

Duration: January 2nd – April 3rd

Location: Inaba Family Merchant House

Hours: 9AM – 5PM (Closed on Wednesdays)

Stop by Kumihama's town center to see these beautifully crafted Japanese *hina* dolls for a limited time. The Inaba Family Merchant House is famous for their doll display resembling nobles at the Imperial Palace in Kyoto. You can also purchase *take hina*, paper dolls nestled within crafted bamboo, at the estate to commemorate your visit.

Komachi Park Doll Festival

Duration: February 5th-March 5th

Location: Komachi Park (Omiya)

Hours: 9:30AM – 3:30PM (Wednesdays)

In Japan, families will celebrate Girls' Day (March 3rd) by displaying a set of hina dolls to wish for their daughter's health, beauty, and happy marriage. No better place to celebrate the festivities in Japan than at Komachi Park, which commemorates the legendary historical beauty and poet, Ono no Komachi.

Please come by to admire their impressive display of beautiful dolls for this one-month period.
