Additionally, when U.S. Soldiers, Department of the Army

Civilians, contractors and their families live in areas surrounding the base, we will increase our friendly relationships with mutual exchange activities such as cultural programs. We can expect deeper understanding and trust between our nations and contribute to local development.

安全とは全ての人にとって重要なものである。京丹後市では、昨年度から、京 丹後警察署、京都府丹後広域振興局はじめ関係諸機関・住民団体とともに、住民 及び地域社会が一体となって、防犯意識と交通安全マナーの向上を図ることに努 め、日本で第一級の安全で安心を感じられる住みよいまちづくりに取り組むこと を内容とする「京丹後安全・安心まちづくり宣言」を宣言し、全市的な運動を開 始したところである。

Safety is important to all of us. Since last year in Kyotango city citizens and the local community have worked as one and have exerted themselves to improve a sense of crime-prevention and traffic safety with relevant organizations and citizen groups such as Kyotango City Police and the Development and Promotion Bureau of Tango Wide Area in Kyoto Prefecture.
