Kyotango City International Association

For those who do not speak Japanese as a native language in Kyotango City

We started Japanese Language Class!

"Though living in Kyotango City, I barely have a chance to study Japanese."

"I want to join in local activities. But I don't know Japanese and can't fit in."

Do you have such worries?

Kyotango City International Association is going to start a Japanese Class for those people. Class size is small and you can learn Japanese culture, too.

Why don't you join us!

Who can join in?

People who does not speak Japanese as a native language in Kyotango City

How long is each class?

2 hours

How much?

200 yen/lesson for members

(300 yen/lesson for non-members)

(You must purchase our lesson tickets and give one to your teacher each lesson. Tickets are available at our office, 5 tickets per set)

About teacher, schedule, place, we will discuss with each student and decide later.

*Please fill in all the necessary items on the enclosed application form and bring it to Kyotango City International Association Office.
